Canopy Growth Comments on The Farm Bill

December 20, 2018

SMITHS FALLS, ON — Today, Bruce Linton, Chairman & Co-CEO, Canopy Growth Corporation, the world's largest diversified hemp and cannabis company, (TSX:WEED;NYSE:CGC) commented on the passage of the Farm Bill, containing the language of the Hemp Farming Act of 2018.

Commented Linton, "Canopy Growth commends the United States government for passing the Farm Bill, a transformative piece of legislation that will create jobs and meaningful economic impact across the United States."

"Canopy Growth will participate in the American market now that there is a clear federally-permissible path to the market. Consistent with the spirit of the Farm Bill, Canopy Growth will participate in ways that support American farmers."

Thanks to a deep hemp-specific portfolio of intellectual property acquired from Colorado-based ebbu Inc. and a landmark investment of USD \$4 billion from Constellation Brands, management believes it is well-positioned to enter the US market quickly.

More details will follow in the New Year.

Here's to Future Growth.
